

Client Coachability Test

I believe that most people are coachable but they're not always coachable at every point in time.

Sometimes people want change (or others around them want them to change), but they they're not currently open to changing their beliefs, behaviors and actions.

If that's the case coaching won't work, and it's better to wait until you're more open to change to try coaching. Here's a quick quiz to find out if you're currently ready for coaching with *Find Your Bliss Coaching*.

CLIENT INSTRUCTIONS: Circle the number that comes closest to representing how true the statement is for you right now. Then, score yourself, using the key at the bottom of the page. Your coach needs for you to be at the place in life where you are coachable.

This test helps your coach - and you - discover how coachable you are right now.
