Please respond to each question in the space provided.

Life Purpose

What do you want for yourself, for others, and for life, personally? What is truly most important to you?

What are you most proud of having accomplished at this point in your life?

Why are you alive?

Who in history do you admire most, and why?

If it weren't important to have a life purpose, what would you most like to do in the next decade?

If you could solve a world problem, what would it be? Be very specific, please.

What is most important to you?

Business Mission

What do you want, professionally, for your clients and others?

What is in the way of putting this ahead of what you are engaged in now?

Why do you do what you do?

What do you offer that is unique and/or excites you?

Legacy

What do you want to leave for others after you are gone? Be specific.

What would you most like the people at your funeral to say about you, specifically?
